PARKING PERMITS ARE VALID ONLY AT RESIDENTIAL HOUSING

Parking is by permit only in specified areas. Possession of a parking permit does not guarantee the availability of a space. Parking double, in fire lanes, in spaces designated for handicapped persons, in staff spaces or spaces assigned to other tenants will result in the vehicle being ticketed or towed at the vehicle owner's expense. Landlord is not responsible for damage that may occur during towing. Vehicle reconditioning, repair, maintenance (including changing of oil or changing tires) is not permitted on site. Washing cars is not permitted unless designated at a specific time and area by manager. Vehicles deemed inoperable or in disrepair by management, may be removed at owner's cost if five (5) days written notice of intent to remove the vehicle is left in a conspicuous place on the vehicle. The parking lot is for wheeled motor vehicles only. Storage of boats and other motorized crafts is not permitted.
