UHV Student Number

By signing below I understand that it is my responsibility to consult with my academic advisor or degree plan counselor from my academic program before concurrently enrolling in any classes at any other college or university. I further understand that failure to consult with my academic advisor about a class or classes I plan to take through concurrent enrollment may result in 1) my taking classes that do not count toward my degree and 2) delay of my completion of studies and graduation.

As an F-1 visa holder, I also understand that it is my responsibility to comply with U.S. immigration service regulations that specify a limit of 1 online course within my full-course load during the Fall and Spring terms. This limit would include any other courses I may enroll in addition to the courses I take at UHV. (Summer term enrollment is not affected by this rule.)
