Notes/Comments:

- (1) EDUC 1300 is required for all First Time in College (FTIC) students at Lone Star College. If not FTIC, take COSC 1301 (less than 5 years old) to satisfy institutional requirement at UHV. Students who are FTIC are still required to complete COSC 1301.
- (2) AAS degrees at LSC require at least 15 hours of general education (core curriculum) for completion. Students also need to satisfy additional core curriculum requirements to become "core complete" to earn the BAAS at UHV (LSC courses should include BIOL 1406 and BIOL 2401 or CHEM 1411). Students can take these courses at Lone Star College or UHV. Completion of ENGL 1302 (prerequisite for ENGL 3430 at UHV) is recommended prior to transfer. Students should consult with an advisor regarding UHV transfer limits.
- (3) 17 semester credit hours of upper division (UD) Biology is required, including 2 hours of laboratory coursework (two 1-hour labs).
- (4) 10 semester credit hours of upper division (UD) electives are required.

Articulation Agreement Information – Standard and Program to Program (P2P)

Transfer of Credit & Student Benefits

- Application fees will be waived for LSC students and employees
- LSC students and employees can apply for all applicable scholarship programs
- LSC students and employees admitted to UHV will be allowed access to academic advising services at UHV
- LSC Honors students admitted to UHV will receive:
 - Acceptance to UHV Honors College with a minimum GPA of 3.5 and satisfaction of other Honors College admission criteria such as letter of application to the Honors Program
 - UHV will accept a minimum of 12 hours of transfer Honors credits
 - Honors transfer students will be eligible for merit and need-based aid commensurate with qualifications.
- Reverse Transfer

Optional Partnership

- Joint Admission provides students the opportunity to maximize utilization of facilities and programs offered jointly by LSC and UHV:
 - Student ID at LSC and UHV
 - Student computer/internet account, access to computer labs, access to libraries and access to student employment opportunities at LSC and UHV
 - Student access to sporting events at UHV
 - Free electronic transfer transcript transmission/evaluation
- Cooperative Advising allows students to access advisors at both institutions for students who are:
 - Admitted (either through regular or joint admissions) at UHV
 - All LSC students with an expressed interest in transferring to UHV
 - Advising for all degree programs at UHV

Standard Agreement & P2P Agreement

**Associate of Applied Science (Health Sciences AOS)
to Bachelor of Applied Arts and Sciences
with Concentration in Biology**

Program Admission Requirements

- Student must have a cumulative 2.0 GPA;
- UHV will accept a "D" in courses taken at LSC, but student must ensure cumulative GPA is a 2.0 .
- If a student retakes a course, UHV will use the most recent grade attempted toward cumulative GPA calculation.

Program Specific Requirements

- Student is encouraged to complete an Associate of Applied Science degree at Lone Star College.
- The BAAS at UHV is a 120 credit hour degree program. UHV will accept 24-44 hours (varies by concentration) of the occupational/technical courses, regardless of the required number of credit hours of occupational/technical courses for completion of the AAS degree.
- Biology and Biotechnology labs must be completed at UHV located in Victoria, TX. For more information regarding the different concentrations, please visit [UHV's BAAS website](#).
- Contact Ms. Candace Boyd at 361-570-4113 or boydcd@uhv.edu for more information.
